Backing on to a green space with walking trails! This home was lovingly cared for over the years by it's original owner. This bungalow is bright and spacious with a large front living room lined with hardwood floors. There are 2 bedrooms upstairs and the third was converted into a main floor laundry room but could easily be converted back if 3 bedrooms is preferred. The basement is partially finished with a second full bathroom and bedroom and the windows, furnace, hot water tank, and A/C have been updated. Outside you'll find a huge, oversized garage with heat and storage attic. The backyard is private with trees and walking trails behind, also featuring a massive maintenance free deck. This home is move in ready yet leaves much room to increase it's value. Truly a must see.
